There is a growing tendency nowadays that people in mounting numbers show great enthusiasm for (对...显示出极大地热情) volunteer works. They are willing to do voluntary work in many fields varying from offering services in sports events to keeping passengers in line at the bus station and so forth. Ample reasons can account for this phenomenon. In the first place, with the development of people's living standard, people should not necessarily be busy (不必要忙于) earning money to support their families. (养家) Instead, they can make better use of their spare time (更好地利用时间) by do something valuable and helpful to others, such as being a volunteer. In the second place, influenced by (受到影响) the education campaign launched by Chinese governments, Chinese people's awareness of being a volunteer has been greatly enhanced. Last but not least, doing volunteer work is also a source of happiness and gratification (幸福感和满足感的来源) for most people. Being a volunteer is anything but (绝不是) an easy job. It is required that those who want to be a volunteer should possess a strong desire to help others and serve the society. It is unimaginable that (难以想象) those who lack love and a sense of responsibility can bring happiness to others and contribute to

society. (196 words) 预测作文：#0000ff>2011年12月英语六级预测
