【中级同事Co-Workers 【情景对话】 A: I ' m really ____ Larry! He ' s the biggest airhead I ' ve ever met. He always makes careless mistakes, and he ' s a pain to work with. A : 我真受够了拉里。他是我所见过的最大的傻瓜。他总犯粗心的错误，跟他一起工作真是痛苦。 B: You shouldn ' t be so negative. You ' ll always have some co-workers that are harder to work with than others. But if you are negative and start name-calling in the office, it will make a bad working environment for everybody. B : 你不要这么否定他。你总会碰到这样一些同事，与他们共事比跟其他人要困难得多。但是如果你持否定态度，在办公室骂人，那只会给大家制造一个恶劣的工作环境。 A: You only say that because you don ' t have to work with him. The people in your department seem so capable and _____. Take Mary for example. She ' s smart and enthusiastic. I ' ve never met anyone as cheery as she is. A : 你这么说是因为你没有和他共过事。你们部门的人好像很能干，很好交往。以玛丽为例，她既精明又热情，我从来没有见过像她这样爽快的人。 B: Everybody has their strengths and weaknesses. Even Larry. He might be a pain to be around, but he ' s also very good at _____ on projects. Mary, on the other hand, spends our project money like there ' s no tomorrow. Also, she ' s never willing to stay a little later at the office. She always leaves at 5:00 pm sharp. B : 每个人都有自己的长处和

弱点。拉里也如此。与他打交道可能会头疼，但他在预算支出方面做得很好。从另一方面讲，玛丽花我们的项目经费时根本不做长远打算。而且她从来不愿意多加一点儿班，总是在下午5点整准时下班。 A: Isn't there anyone in the office that is a perfect co-worker? What about Bob? Everybody loves Bob. Even though he's fresh out the college and still _____, he is a great co-worker. A：难道办公室就没有一个人是你完美的同事吗？鲍勃怎么样？大家都喜欢他。尽管他刚刚大学毕业还没什么经验，但是个不错的同事。 B: You're right. He's a hard worker, easy to get along with, honest, and he never steals the credit on projects. The only thing he's lacking in is experience. B：你说得对。他工作努力，容易相处，诚实可靠，而且他从来没盗用过项目经费。他唯一缺少的是经验。 A: Maybe that's why he's so nice! A：也许这就是他为什么这么讨人喜欢的原因。 【单词】 1.airhead 傻瓜 2.name-calling 骂人 3.capable 有能力的 4.enthusiastic 热情的 5.cheery 愉快的 【词组/短语】 1....I've ever met：我所遇到的 2. steal credit：盗用经费 【填空】（答案） 1.fed up with（be fed up with 受够了） 2. nice to be around 友好相处 3. staying in budget 没有超过预算 4. a bit green（be green：没有经验） 相关推荐：>剑桥BEC中级历年真题集 >BEC新编剑桥商务英语难词解译(经科版)下载 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
