考查应试者把握文章结构、掌握作者思路的能力。本部分为1篇300-450词的短文，文中有5处空白，文章后面有6组文字，其中5组取自文章本身。要求应试者根据文章的内容选择5组文字，将其放回相应位置，以恢复文章原貌。“Happy Birthday to You” [综合类职称英语教材] The main problem in discussing American popular culture is also one of its main characteristics : it won ' t stay American.No matter what it is , whether it is films , food and fashion , music , casual sports or slang , it ' s soon at home elsewhere in the world1. There are several theories why American popular culture has had this appeal. One theory is that it has been “ advertised ” and marketed through American films,popular music,and more recently , television. 1 They are , after all , in competition with those produced by other countries. Another theory , probably a more common one , is that American popular culture is internationally associated with something called “ the spirit of America. ” 2本文来源:百考试题网 The final theory is less complex : American popular culture is popular because a lot of people in the world like it. Regardless of why it spreads,2 American popular culture is usually quite rapidly adopted and then adapted in many other countries 3 “ Happy Birthday to You , ” for instance , is such an everyday song that its source , its American copyright , so to speak , is not remembered.Black leather jackets worn by many heroes in American

movies could be found, a generation later, on all those young men who wanted to make this manly-look their own. Two areas where this continuing process is most clearly seen are clothing and music. Some people can still remember a time when T-shirts, jogging clothes, tennis shoes, denim jackets, and blue jeans were not common daily wear everywhere. Only twenty years ago, it was possible to spot an American in Paris by his or her clothes. No longer so: those bright colors, checkered jackets and trousers, hats and socks which were once made fun of in cartoons are back again in Paris as the latest fashion.

The situation with American popular music is more complex because in the beginning, when it was still clearly American, it was often strongly resisted. Jazz was once thought to be a great danger to youth and their morals, and was actually outlawed in several countries. Today, while still showing its rather American roots, it has become so well established. Rock 'n' roll and all its variations, country
