There are several theories why American popular culture has had this appeal. One theory is that it has been “ advertised ” and marketed through American films,popular music,and more recently , television. 1 They are , after all , in competition with those produced by other countries. Another theory , probably a more common one , is that American popular culture is internationally associated with something called “ the spirit of America. ” 2本文来源:百考试题网 The final theory is less complex : American popular culture is popular because a lot of people in the world like it. Regardless of why it spreads,2 American popular culture is usually quite rapidly adopted and then adapted in many other countries 3 “ Happy Birthday to You , ” for instance , is such an everyday song that its source , its American copyright , so to speak , is not remembered.Black leather jackets worn by many heroes in American

movies could be found,a generation 1ater,on all those young men who wanted to make this manly-look their own. Two areas where this continuing process is most clearly seen are clothing and music.Some people can still remember a time when T-shirts , jogging clothes , tennis shoes , denim jackets,and blue jeans were not common daily wear everywhere.Only twenty years ago , it was possible to spot an American in Paris by his or her clothes.No longer so : those bright colors, checkered jackets and trousers , hats and socks which were once made fun of in cartoons are back again in Paris as the latest fashion.3 4来源 : 考试大的美女编辑们 The situation with American popular music is more complex because in the beginning.when it was still clearly American,it was often strongly resisted.Jazz was once thought to be a great danger to youth and their morals , and was actually outlawed in several countries.Today, while still showing its rather American roots , it has become so well established.Rock ‘ n ’ roll and all its variations , country 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
