The Asian economic crisis has put many companies on the edge. Many have been forced to change the way they do business. The old attitude that employees follow instructions and are unable to make decisions or act on their own initiative leads to underused people. The key to increasing employee productivity is through effective management. Managers must recognize that getting employees involved in the solution boost morale 。 The decision making process should be pushed down the ladder. The focus of future organizations will shift to employee involvement , rather than power and control. 难点提示： 主动地 未充分利用的 士气

参考译文：亚洲金融危机使很多公司面临崩溃的边缘。很多公司被迫改变经营的方式。老一套的态度，即员工听从指挥，而不能自做主张或独断独行，常常使得员工不能人尽其才。提高员工生产力的关键是通过有效的管理。管理者们必须认识到，让员工参与解决问题可以鼓舞士气。决策程序应该下放。未来组织机构的重心将转向员工参与，而不是权力和控制。 更多推荐：#0000ff>2011年翻译资格考试：初级口译考试模拟试题汇总 考试信息：
