遇到许多的问题，百考试题网小编特搜集整理了一些面试常见
问题与回答供大家参考，希望增加大家面试成功的几率。

Discuss the things you didn ' t like, but avoid making slighting
reference to any of your former employers. 1. How do you spend
your leisure time? Mention a cross section of interests-active and
quiet, social and solitary -- rather just one. 2. Are there any
weaknesses in your education or experience? Take stock of your
weaknesses before the interview. Practice discussing them in a
positive light. You ' ll find that they are minor when discussed along
with all the positive things you have to offer. 3. Where do you want
to be five years from now? Saying that you ' d like to be president is
unrealistic, yet few employers want people who are content to sit still.
You might say, "in five years, I ' d like to have my boss ' s job. " If
you can ' t qualify for your boss ' s job by then, you may not be the
fright candidate. 4. What are your salary expectations? If you are
asked this at the outset, it ' s best to say, "Why don ' t we discuss
salary after you decide whether I ' m right for the job?" But if the
interviewer asks this after showing real interest in you, speak up. She
or he will probably try to meet your price. If you need a clue about
what to ask for, say, " Can you discuss your salary range with me?" 5.
What would you do if....? This question is designed to test your
reposes. For example: "What would you do if your computer broke

down during an audit?" Your answer there isn't nearly so important as your approach to the problem. And a calm approach is best. Start by saying, "One thing I might do is ..." Then give several alternative choices.

6. What type of position are you interested in? Job titles and responsibilities vary from firm to firm. So state your skills instead, such as "I'm good at figure work," and the positions that require these skills, such as "accounts payable."

7. Tell me something about yourself. Say you'll be happy to talk about yourself, and ask what the interviewer wants to know. If this point is clarified, respond. If not, tell why you feel your skills will contribute to the job and the organization. This question gives you a great opportunity to sell yourself.

8. Do you have any questions about the organization or the job? Employers like a candidate who is interested in the organization. so this is a perfect time to convey your interest and enthusiasm.

面试的最后需要做些什么? 关于真正的面试最后要提醒的是: 结束面试时要说: "我对这份工作非常感兴趣, 我下一步要干些什么?" 朋友, 你是否在热切地盼望着? 如果聘用你, 那将是他们的幸运!

One last great tip about the actual interview: Always end the interview with, "I am very interested in the position. What are the next steps to take?" Boy, are you eager? They'd be lucky to have you!
