张家界风景区 Zhangjiajie Scenic Spot Zhangjiajie National Forest Park is the first authorized national forest park in China. The area covers 480 thousand square meters. This park, together with Suoxiyu Natural Resource Reserve and Tianzishan Natural Resource Reserve makes up the Wulingyuan Scenic Area, also known as Zhangjiajie Scenic Spot. Zhangjiajie National Forest Park has been described differently, such as, majestic, eccentric, tranquil, delicate and wild. The park features grotesque peaks, lucid brooks, abundant fauna and flora and hospitable climate. Golden Whip Brook, touted as one of the world's most beautiful valleys is always the most favorite part of many backpackers. Clear water bubbled up from among the rocks, winding from west to east. Magical!

经国务院批准的第一个国家级森林公园，张家界国家森林公园和索溪峪风景区、天子山风景区三大景区构成的武陵源自然风景区被联合国教科文组织列入《世界自然遗产名录》，张家界以其独特的旅游特色、地形地貌、奇花异草吸引了无数向往自然美景的游客。张

家界的金香柚超赞的 敦煌莫高窟 Mogao Grottoes 25 km from downtown Dunhuang on the eastern slope of Mingsha Shan (Mount Echoing Sand), Mogao Grottoes is a shrine of Buddhist art treasures and have attracted many travelers who have great interest in Buddhism and Chinese history and culture. By the way, Mogao means high up in the desert. Viewed from afar, the over 750 Mogao Grottoes of different sizes are scattered along a 1,700-meter cliff, just like a gigantic and majestic integral structure. It is a great pity that some caves are closed for preservation. Inside the caves, the colourful murals, excellent sculptures are truly enormous and fabulous. In layout and colour combination, the murals are in perfect harmony with the painted sculptures so that in a cave shrine tourists find one whole piece of well-integrated art. 莫高窟位于中国甘肃省敦煌市东南25公里处的鸣沙山东麓断崖上，洞窟分布高低错落、鳞次栉比，共有五层，分为两区，内有无数壁画和塑像以及无数莲花柱石、铺地花砖等。莫高窟又被称为“千佛洞”。莫高窟的壁画从布局至色调都注意跟彩塑浑然一体，形成洞窟艺术的整体美，不愧是一份巨大的古典艺术遗产。莫高窟不远处的月牙泉一直以来都是很多摄影爱好者绝对不会错过的题材哦！

纳木错 Namtso Lake Namtso Lake is selected as one of the five most beautiful lakes in China by Chinese National Geography magazine. This holy body of water, located 15,475 feet above sea level and covering more than 730 square miles, is the highest saltwater lake in the world. Namtso Lake 's touching beauty never fails to attract any traveler who visits Tibet. Bright sky, white clouds and clear water contributes to a picturesque scene, like a fairyland. In

Tibetan, Namtso means Heavenly Lake or Holy Lake. Looking at the faraway mountains and nearby water, backpackers only hope that time could stand still at that moment. 纳木错是中国西藏自治区最大的内陆湖，也是世界上最高的咸水湖。藏语中，纳木错意为天湖。每个到过纳木错的人，整个灵魂都仿佛被纯净的湖水所洗涤。站在纳木错湖边，这世界上最高最美的神湖让人震撼，仿佛置身于一个蓝色的世界。远离现代文明的污染，保持着自然原始生态，理所当然成为驴友们心目中的圣地。顺便说一下，“错”在藏语中就是湖的意思，在西藏还有巴松错、羊卓雍错，等等。

蜈支洲岛 Wuzhizhou Island Lies within easy reach of Sanya , Wuzhizhou Island is China ' s best waters for scuba and snorkeling. Ringed by beaches and coral reef in Haitang Bay, just 2.7 km offshore and about 30 km from downtown Sanya and the airport, the irregularly butterfly shaped island is home to a handful of attractions and scenic spots, stunning beaches, and Hainan ' s most pleasant resorts. Divers will appreciate the clear seas, especially off the southern end of the island, where coral reefs host a colorful range of tropical sea life. As well as Goddess Matsu Temple, there are many places of interest to visit including the Lover ' s Bridge, Sunrise Rock, Gold Turtle Stretching toward the Sea, Lover ' s Island and the Life Well. The Sunrise Rock is the ideal spot from which to observe the sunrise. 蜈支洲岛呈不规则蝴蝶状, 三面漫山叠翠, 几千种原生植物郁郁葱葱, 不但有高大挺拔的乔木, 也有繁茂葳蕤的灌木, 其中还有从恐龙时代流传下来的奇异花木。岛上热带植物景观随处可见。四周海域清澈透明, 海水能见度高, 水域中盛产多种热带鱼, 南部水域海底有着保
