告知敬请放心Gentlemen, The firm mentioned in your letter of September 20 is one of the most responsible dealers of textile goods. The company was established in 1948,and has supplied our firm with qualified goods for over 20 years. They have always provided complete satisfaction with in-time delivery,moderate prices and superior quality. We believe that they may be rated as an A-Level company with which you can deal freely.Of course,this is our personal opinion and we assume no responsibility in your proposed business negotiations. We hope the above is satisfactory and will help you in making a decision. Very truly yours, Mike Business Manager
