DEREK: I went down to change some money, right? KELLY: Yes. We need some. How much did you change? DEREK: I wanted to change around 5000 dollars. And you know the exchange rate. KELLY: Yes, it ' s about 35 pesos for every Taiwan dollar, right? DEREK: Not today. KELLY: What do you mean? DEREK: I went into the bank with my money, and I looked at the exchange board. At first I couldn ' t believe it. I thought I was reading the board wrong or something. KELLY: Why? DEREK: Because the board said 60 pesos for every Taiwan dollar. KELLY: Sixty? That ' s too much. How can that be? DEREK: I thought it was wrong too. It didn ' t make sense. KELLY: Just two days ago it was 35. How can it be 60? DEREK: So, I went up to the teller and started to exchange the money. And it ' s true. They really gave me sixty pesos for the dollar. KELLY: That ' s amazing! Really? How could it change so much in two days? DEREK: I tried to ask the bank teller why it changed, but she didn ' t speak English well enough. So I decided to go to the magazine shop. The one around the corner. And I bought an American newspaper. KELLY: What happened? DEREK: It seems that yesterday the Mexican government declared it wouldn ' t pay back the loans it got from the World Bank. The government declared a default on the loans. KELLY: That ' s serious. DEREK: I know. The economy here is having serious

problems. But because the government declared a default, the currency value went way down. KELLY: So now Mexican pesos are worth about half as much. DEREK: Yes, it ' s an amazing 0drop. KELLY: Wow. I feel sorry for the Mexicans. But it ' s good for us. DEREK: Yes, it ' s very good. We suddenly have twice as much money to spend here. Our hotel is now half as expensive as when we got here! Isn ' t that strange? KELLY: Yes, and you know what? DEREK: What? KELLY: I don ' t really like this hotel that much. So tonight, now that we are so rich, tonight why don ' t we stay in the most expensive hotel in town? DEREK: Why not? We should do it. Because now we can afford it. 戴瑞克：你不会相信刚刚发生的事。凯莉：什么事？戴瑞克：我去楼下换钱，对不对？凯莉：对啊，我们需要一些，你换了多少？戴瑞克：我想要换五千元左右，而且你很清楚汇率。凯莉：是啊，大概是三十五披索等于一块台币，对不对？戴瑞克：今天不是。凯莉：什么意思？戴瑞克：我带了钱去银行，然后看着汇率表。一开始，我真不敢相信，我想我读错了或什么的。凯莉：为什么？戴瑞克：因为汇率表上说六十披索等于一块台币。凯莉：六十？太多了吧，怎么会这样呢？戴瑞克：我也以为错了，这样不太合理。凯莉：就在两天前是三十五，怎么变成六十了呢？戴瑞克：于是我走向出纳员要求兑换钱，原来是真的。他们真的让我用一块台币换六十披索。凯莉：太神奇了！真的吗？两天内怎么会改变这么多呢？戴瑞克：我试着问银行出纳员为何汇率改了，但是她的英文说得不太好。所以我决定去杂志店，街角那家，买了一份美国报纸。凯莉：发生什么事了？戴瑞克：好象昨天墨西哥政府宣告不偿还向世界银

行借的贷款，他们宣称不履行债务。凯莉：那很严重喔！戴瑞克：我知道，这儿的经济有很严重的问题，但是因为政府宣称不履行债务，币值顿时跌落。凯莉：所在现在墨西哥披索只值原来的一半。戴瑞克：是啊，真惊人的下跌。凯莉：哇，我真是替墨西哥人感到遗憾，但是这种情况对我们是有利的。戴瑞克：是啊，蛮好的，我们突然有二倍的钱来花。旅馆费现在只有刚到时的一半贵，那不是很奇怪吗？凯莉：嗯，你知道吗？戴瑞克：什么？凯莉：我不太喜欢这间旅馆，所以今晚，既然我们有钱了，为什么不去住镇上最贵的旅馆？戴瑞克：有何不可呢？我们该的，因为现在我们可以付得起了。相关推荐：#0000ff>国庆旅游英语口语：在酒店 #0000ff>国庆旅游英语口语：租车 #0000ff>国庆旅游英语口语：就餐 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
