，她的中国朋友要是遇到了不知道用美语怎么说的词，就会来请教她。今天是吴琼要问的：剧透。 JESSICA: 吴琼, I sent you a movie review article yesterday. Have you read it? WQ: 你是说那篇电影的影评，我可不能看! JESSICA: Why not?! WQ: 因为电影我还没看啊！影评上来就警告读者说：本文有剧透！也就是说，看了文章就知道电影结局了！ Jessica, 这令人扫兴的“剧透”用美语怎么说呢？ JESSICA: It ' s called a spoiler.

Spoiler is spelled s-p-o-i-l-e-r. A spoiler will reveal the ending of the movie to you when you ' d rather find it out by yourself. WQ: I see

！ Spoilers can really ruin the fun of watching a movie! JESSICA: True. That ' s why people write a warning at the beginning of a review, which says "the following review contains spoilers."

WQ: 对！影评应该先警告大家有剧透内容，省得扫观众的兴！不过话说回来，有些片子编得很滥，只要看了开头，不用剧透，傻瓜都能猜出结局！ JESSICA: I agree. Those movies are no fun to begin with. You only need to avoid spoilers when there are plot twists. WQ: Plot twist? P-l-o-t, plot是故事情节， t-w-i-s-t, twist，是扭曲，所以plot twist我猜就是出乎意料的情节，电影里的形势大逆转，对不对？ JESSICA: Yes! Plot twists are the

development that viewers don ' t expect to happen. Good writers use plot twists to keep viewers interested. WQ: 我就特别喜欢结局出人意料的片子，特别是电视剧，一集结尾留下个悬念，吊

胃口！ JESSICA: In English, we call that a cliffhanger. It ' s usually a dilemma or a dangerous situation. So you want to watch the next episode to see how the characters deal with it. WQ: 哦！原来，在结尾时留下的悬念就是cliffhanger! C-l-i-f-f-h-a-n-g-e-r, cliffhanger. 哎呀，我要走了， My favorite show is about to start, and last episode ended on a cliffhanger! JESSICA: Okay, but before you go, tell me what you ' ve learned today! WQ: 第一，剧透是a spoiler；出乎意料的情节是a plot twist；电影或电视结尾时的悬念是a cliffhanger. 更多推荐：#0000ff>春运词汇你知道多少？ #0000ff>地道英语：看老外如何“左右为难” #0000ff>英语习惯用语：你见过这种骗局吗 #0000ff>有关“stand”英语表达 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
