Examples of good responses include: I think one of the most important things I ' ve learned is persistence. Not to give up too soon, because the solution is probably right in front of me. I have learned to give every person a second chance, because first impressions can often be misleading. I used to think that there was one best solution to a problem, but I ' ve learned that that kind of thinking limits the possibility of great success. 编辑推荐：#0000ff>
