The best way to answer this question is, first of all, to be prepared and knowledgeable about the company. Spend some time researching the company (the About Us section of the web site is a good place to start) so you can talk about the benefits of working for this employer. Let the interviewer know what you can do for the company, if you get a job offer. Even though the question is about why you want to work here, you still need to convince the interviewer that hiring you will benefit the company. Here are sample answers you can use to frame your own response: This company is internationally known for its (widgets), and my experience in the (marketing/planning/production/etc.) of (widgets) has me intrigued by the opportunity this position presents. The businesses in this area are known for their commitment to the community, and I would like the opportunity to participate in making this a better place to live.
