appreciate a work environment where supervisors try to make personal connections with their employees. In my last job, I liked the fact that management did not show favoritism and they were understanding of employees needs, as well as their strengths. Of course, these things take time to know, but I would want my supervisor to try to know me in that way. I would like to be able to go my manager if I have an issue or idea and to be able to feel comfortable to expressing my thoughts. I would also expect my supervisor to be open and honest with me and to let me know if there is anything I could do to improve upon or do differently in my work.
