The money is enough to buy either a piece of jewelry you like or tickets to a concert you want to attend. Which would you buy? It seems not a difficult decision for me. But if I was given the gift of money in different time, I would have different answers. If I was given the money when I was in my high school, I will buy a ticket to a concert. which always brings me identical pleasure. And I don't want to buy any jewelry, for it is meaningless for a man who is now solitary.
