很多同学在准备托福口语的时候，不太清楚回答口语问题时的具体思路是什么，考官在考生回答第一句的时候，可能就已经给一个学生下定论了，那么怎样回答才能拿高分呢？下面结合新托福口语实例给大家列出了一些参考答案，希望对大家有所启发。

Pet
The animal: giraffe
The reasons you chose the animal: -majestic animal -long tongue and powerful lips -awkward and goofy
If I could have a pet, I would have a giraffe. It is the most majestic animal in the world. It is tall and sleek. It bends down gracefully to pick leaves from trees using its long tongue and powerful lips. Its fur coat is the most beautiful found in the desert a yellow background with large brown circles placed here and there. Despite its grace horns on its head and a somewhat goofy looking smile. To me the giraffe is a paradoxical animal clumsily and awkwardly beautiful and graceful.

TV and film
The program: Seinfeld
The reasons you chose the program: -funny -mix of characters -everyday situations
I like to watch the TV program Seinfeld because it is a funny show about ordinary people like my friends and me. None of the characters on the show are perfect people. Each one takes a turn getting into some trouble on screen. Sometimes they help each other out while other times they just make each feel silly for their mistakes. My friends and I try to see every episode. In fact, we often talk about the most recent episode when we see each other. I can really identify with the show

because the characters are so similar to my friends. Music The type of music: rock music The reasons you chose the music - like beat - sound of a generation - music for a better life and a better society I like all kinds of music but if I had to choose one type of music it would be rock. It was the lively beat of change for a whole society. Moreover, one of the leaders of this change was Jimi Hendrix. When I listen to his masterful electric guitar style, I can hear the energy of his generation. The music has a soul and an appealing sound. It has inspired many people to work for a better life for themselves and for a better society around them. Rock music has soul and has stood the rest of time. Book The book: the Catcher in the Rye by J. D. Salinger The reasons you chose the book: - identified with the character - challenges of my age group - interesting point of view When I read The Catcher in the Rye, By J. D. Salinger, it was already an old book, but I liked it because I identified with Holden Caulfield, the young man who was the main character. He was not always correct in his judgments about the way life was, although he had strong opinions. I liked to read about how he felt and what he understood. His constant wry observations about what he encounters, from teachers to phonies, capture the essence of the eternal teenage experience of alienation. In many ways, we still have the same challenges in life since the times of The Catcher in the Rye. 以上这些新托福口语实例是针对不同话题进行的一些阐述，大家可以作为参考。相关推荐：#0000ff>托福日常口语、习惯语100句汇总 #0000ff>托福口语常用的13句套话 #0000ff>托福口语丢分原因分析 100Test 下载频道开通，各类考试题目直接下载。详细请访问
