But, teetering on the edge, she managed to haul herself up to finish off her routine. Dolly的这些滑稽的小把戏本会使它伤痕累累，这个可爱的小动物可能会伤掉它的小爪子。但是结果却是它摇摇晃晃的爬到了绳子边缘，它成功的用手抓着绳子完成了这段距离。 Luckily she was only inches from the ground, and would not have suffered injury had she taken a tumble. 幸运的是它离地面只有几尺高，如果它栽了个跟头也不会受伤。请访问百考试题网站<http://www.100test> These adorable photographs were taken by keen photographer Mirko Waltermann, 37, at his home in Hamm, Germany. 这些让人喜爱的照片是由37岁的机灵的摄影师Mirko Waltermann在他德国哈姆的家中拍摄的。 He said: "Dolly is very curious and funny - she likes to play and hang on the rope for a couple of minutes or so at a time before having a break and starting all over again. She really enjoys

performing for us and I'm pretty sure she is showing off. She likes to be the centre of attention. My daughter Lara has had her for three years now and she doesn't seem to be slowing down, if anything it is harder to get her off it. As much as she loves it though I think her favourite trick is to hide somewhere so all the family has to search for her." 他说：“Dolly很有好奇心并且很有趣，它喜欢玩着悬在绳子上并持续好几分钟，然后休息一下，另起炉灶，重新再来一遍。它真的很喜欢为我们表演，我敢确定它这是在炫耀它自己。它喜欢成为人们关注的焦点。我的女儿Lara已经养了它三年了，不管任何事都不会让她停止了，她会一直养着它。她非常的喜欢它，尽管它最喜欢的把戏就是把自己藏起来，让全家人到处找它。”
