及答案解析专题Nothing succeeds without a strong will As a

humorous saying goes “ Quitting smoke is the easiest thing in the world, I have done it hundreds of times ” , it reminds me what a

significant role a strong will plays in our life. I firmly believe that

“ Where there is a will, there is a way ” . In terms of the academic

performance, a strong will exerts a great influence on student ’ s

academic performances. A strong will of acquiring the knowledge

and resisting the temptation of entertainment motivates students to

try their best in order to pursue the academic excellence. When it

comes to the musical mastery, it is well known that the key to

acquiring proficiency in musical instrument is a strong will of

repetition. For example, the famous pianist Lang Lang plays the

piano from 5am every day and practices over and over again.

Therefore, we can easily draw the conclusion that nothing succeeds

without a strong will. I am convinced that for the individual himself,

nothing is more important than his strong will and his determination

to follow that. 推荐：#0000ff>免费在线估分|#0000ff>成绩查询
