2011年12月17日文都四级优秀范文 文都名师：徐可风 We have spoken, written and discussed quite a lot on the relationship between iron will and success. Many people dream of becoming scientists, millionaires or superstars. However, without iron will, do you think they can succeed in making their dreams come true? Beyond all doubt, iron will plays a key role in being successful. At the top of the list, there must be difficulties in the way toward success. Apparently, the iron will is a strong weapon for against difficulties. In addition, positive attitude is indispensable to success. It is the iron will that can provoke positive attitude. To be successful, everyone needs to understand the close relationship between iron will and success. In one word, no an iron will today, no success tomorrow. 推荐
