I ’ ve done it hundreds of times ” , no success can be achieved without a strong will. There is also a saying: “ Where there is a will, there is a way. ” A determined mind and a strong will give us the power to succeed. In this essay I will offer my own view on it.A strong will is indispensable to the success of all things in our life and career. Throughout the history, great achievements are made by people of a strong will. Such examples are seen from countries to countries and from time to time. Famous books like War and Peace were not written easily. A strong-willed writer can spend hours and hours changing the original scripts in order to create a satisfying work. Valuable artworks made by Picasso were all done after innumerable changes. 昂立We can see from these examples that nothings succeeds without a strong will. If you have a clear target in mind, focus on it and stay strong-willed. Your will and efforts will bring you the expected result after your continuing hard work. 推荐：0000ff>免费在线估分|0000ff>成绩查询|0000ff>评分标准|0000ff>合格标准|0000ff>算分器|0000ff>
