https://www.100test.com/kao_ti2020/7/2021_2022__E5_85_AB_E6_9C_8811_E6_97_c4_7320.htm 1, heather today, itook the IELETS examination in wuhan I think the listening section was easy from section 1 to section 4. section one was about a womens car being stolen, and a lady told details about it, such as people passing by, their age and feathers section 2 was about oreintation section 3 was about airplane, there were some special nouns about airplane section 4 was about enviromen, the good sides about trees 2, reading you should read details in the articles, and the techniques which were taught in new oreint school did not work well. Pay attention, you should read the articles, or you will find it is diffcult for you to accompish the questions. there are two summories, and about 11 t/f/ng. 3, writing task1 including about column and pie chart, talking about oxide emission. task2, the student who directly go to university, get less .or contibute less, in their course than students hold a job or travel which relate to real life 4, oral english i think you the information which was given in the tigtag is enough 1, tell me something about you hometown 2, the adventages and disadvantages liveing in your hometown 3, compare the clothes wearing in the work days and weekend 4, can you tell me something about the clothes which students wear card tell me a family memeber who is similare to you 1, who is them 2, what does she or he looks like 3, why do you think you are similar next 1, can you tell me the old structure about your grandparents time 2, can you tell the structure of chinese family

changed for your grandparennts time That s all i can think about,i think the interviewer is very kind,so dont be afarid of them. 非常感谢前辈的帮助！（作者：阳光柠檬茶）100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
