https://www.100test.com/kao_ti2020/85/2021_2022_ACCA_IFRS__c52_85429.htm Dear Member/Affiliate/Student, The gradual convergence of International Financial Reporting Standards in China has imposed significant changes in the accounting practice. This three-hour seminar outlines the major changes introduced by the IFRSs and the impact on the financial statements. Ample real-life cases will be arranged to help attendants gain a better understanding of these standards. We are very honored to have Mr. Nelson Lam, whose speech enjoys a tremendous popularity both in Hong Kong and Mainland China to be our honorable speaker. Seminar Content: Overview of IFRS and its framework Discuss major changes in recognition and measurement on 0selected IFRSs pursuant to the convergence Highlight key changes to the presentation and disclosures of financial statements Impacts on the company ' s profit from adoption of IFRS About the speaker: 林智远(Nelson Lam) Nelson is experienced in providing assurance and financial advisory services to various clients. His current clients include listed or private companies from Africa, HK, Mainland China, Netherlands, Russia, UK and US. He is also actively involved in the training of the new financial reporting standards for accountants, journalists and general public. In addition to speaking at various seminars previously organized by ACCA, CFA Institute (HK Chapter), CPA Australia, HKICPA, CICPA and various universities and instates, Nelson also provides corporate consultancy to different

professional, commercial and not-for-profit organizations. Details:
