: www.examda.com In my opinion , the Internet is helpful rather than harmful as someone else thinks. As is known to all , the Internet is playing a more and more important part in our daily life. On the Internet , we can read news at home and from abroad and get as much information as we can. We can send e - mails or make phone calls to our family as well as to our friends. We can also attend the net school , read many books and even teach ourselves English. We can also enjoy music , watch matches and play computer games on the Internet. We can even do shopping on line. Besides , we can improve our ability to operate the computer. But we should not be given to the Internet , or well get our life and study destroyed. Besides , we should keep off the harmful websites. Anyhow , this doesnt prevent the Internet becoming our friend. We cant throw away the apple because of the core , can we ? 100Test 下载频道开
